Gentlemen:

We are making plans for a Recreation and Sportsmen's Show in connection with our Annual Industrial and Agricultural Fair. In this Recreation Show we intend to have departments for coins, hobby collections of various kinds and a host of other things which are included in the term of "Recreation".

We would appreciate knowing if there is any way in which your organization can assist us, and also, if you can send us a list of some organizations in New England, or in this section whom we might contact.

Yours truly,

F. H. Kingman
Secretary.

Opens Sunday, September Ninth, for Seven Days — Seven Nights

March 23, 1934.

Mr. F. H. Kingman, Secretary
Brockton Fair
Brockton, Mass.

Dear Sir:

Our organization is in no position to furnish any show or exhibition for the Brockton Fair nor do we know of any of our members who would be interested. However, as you ask for possible exhibitors from New England we submit the name of the Boston Numismatic Society, Shepard Pond, Secretary, 258 Boylston St., Boston, Mass.; Springfield Coin Club, Ernest J. Bigelow; Secretary, 396 Bridge St., North Hampton, Mass.

Very truly yours,

HW:JG
